Nā Pua No‘eau O‘ahu 2016-2017 Events Calendar

This past year we took the time to prepare our programming for the upcoming year. Since our last update, all of our current sites have been partnering and collaborating on a number of initiatives, projects and/or programs at each of our UH campuses. For example, throughout the State, we were a part of the selection committees for the Office of Hawaiian Affairs’ STEM (Science, Technology, Engineering and Mathematics) Scholarship. This award was gifted to a number of Native Hawaiian STEM majors at UH’s campuses. It has been a challenge for us to secure the funds needed to operate at full capacity, but by attending a number of meetings both at the campus and community level we’ve developed partnerships and collaborations to offer our traditional and even new programs and opportunities for all of you. Our program offerings throughout the year will vary anywhere from charging our students to no cost fees. Cost fees for each of our programs are based upon budget allocations and to cover basic costs. Information on our programs and costs are detailed below. We are very excited to see all of you again this upcoming year!

Much mahalo for your patience and support,

Keanu Jones
Director of Operations

NEW NPN PROGRAMS

Mālama Kanaloa
“Caring for Kanaloa”

Grades: 7-12 • Limited to 12 students only (students will need to complete application)
Students required to attend 4 out of 5 programs • $25 fee upon acceptance
APPLICATION DEADLINE: SEPTEMBER 26
Students will be provided with the opportunity to explore science, particularly in marine resource management (marine biology, ecology, etc.). Experiences will include student research, a number of ocean-related field trips, and scientific method while also exploring resource management through “Hawaiian eyes” as a possible career pathway. Selected Mālama Kanaloa students must be committed to all meeting dates throughout the year.

Dates: October 1 (MANDATORY), October 22-23, December 10-11, February 11-12, March 26-27

Kōkua Kaiaulu
“Hawaiian Culture Resource Management”

Grades: 9-12 • FREE • Free transportation provided from UH Mānoa
APPLICATION DEADLINE: SEPTEMBER 21
Many colleges as part of their application process now look at community services part of their acceptance process. Kōkua Kaiaulu students will have the opportunities to build their student resumes by participating in Hawaiian culture resource management in the community through servant leadership with some of our communities’ most insightful and inspiring leaders and kūpuna. During the work project, Kua‘ana students will serve as mentors to NPN students and share their experiences as college students from diverse majors.

Dates: September 24 & October 29 w/ Uncle Shad Kāne at Kalaeloa Heritage Park

For more information and registration call (808) 956-9410 or log on to http://npn.uhh.hawaii.edu

2016-2017 Events Calendar
"CLASSIC" NPN PROGRAMS

Nā Pua No‘eau O‘ahu

“Ho‘okaulike Bringing Balance”

‘Ohana Day
Grades: K-6 and ‘ohana • $10 per participant (ages 4 and under free)

Dates: November ??? (Date TBA) at UH Mānoa

How do we bring balance with our ‘āina (land) and our kai (ocean)? There’s only one way to find out! Families will have the opportunity to do fun hands-on activities related to balance in nature, it’ll be a fun event for everyone!

“He Aha Kā me ke Anilā- What’s Happening With the Weather?”

Super Keiki Day Project Makadōlōi
Grades: K-12 • $25 per participant *Limited availability

A lot’s been happening with our weather lately. How can we be better prepared? What’s there to learn and know about our weather? What makes Hawai‘i’s weather unique? Come and join us for a three-day event that’ll answer and explore these questions!

Date: December 19-21 at UH Mānoa

“Akamai (Smart) Engineers”

‘Ohana Day
Grades: K-12 and ‘ohana • $10 per participant (ages 4 and under free)

How do we bring balance with our ‘āina (land) and our kai (ocean)? There’s only one way to find out! Families will have the opportunity to do fun hands-on activities related to balance in nature, it’ll be a fun event for everyone!

Date: April 8 at UH Mānoa
